

AGREEMENT
FOR EXCHANGE OF VISITORS
BETWEEN THE UNIVERSITY OF PAVIA, ITALY,
AND
SPACE RESEARCH INSTITUTE OF THE RUSSIAN ACADEMY OF SCIENCES, RUSSIA

Article 1

By this Agreement, the University of Pavia, Italy, and the Space Research Institute of the Russian Academy of Sciences, Moscow, Russia, are expressing the interest for exchanging professors, research staff, and doctoral students.

Article 2

The exchange of the staff by this Agreement is considered to be from the Graduate School of Civil Engineering of the University of Pavia, Italy, and Space Research Institute of the Russian Academy of Sciences, Moscow, Russia.

Article 3

The subjects of the visits are:

- Lecturing on regular post-graduate courses;
- Lecturing on the seminary for the faculty/department staff on problems of particular interests (main topics of professional interests of the visitors);
- Exchange of experience in the area of education or research;
- Planning and preparing the joint research projects for financing by the 7th EU Framework Program or by bi-lateral cooperation programs, or by other sources.

Article 4

The duration of each visit should be one week, with a possibility of extension to two weeks in special cases.

Article 5

The total period of exchange, for each side, is foreseen to be five weeks for one year.

Article 6

By the mutual agreement, either a visitor covers travel cost or, in the absence of special joint funds, the host institution covers accommodation, meal, and local expenses.

Two coordinators are nominated for practical realization of the visits:

- Professor Fabio Casciati, the University of Pavia, Italy;
- Professor Agnessa Kovaleva, the Space Research Institute, Moscow, Russia.

The coordinators are responsible for planning and realization of the visits in accordance with the existing rules and practice of each institution.

Article 8

This Agreement is valid within three years from the moment of its authorization by both sides, with the possibility of the further extension.
